3 As the Overland mail is rec? only once a week it is a question for consideration whether it will not be to subscribe for a weekly edition instead of a daily edition of the Times of London. The cost will also be cheaper.

4 Draft? is put up as directed. It is however very doubtful if these daily newspapers can with justification be paid for from public funds. The Madras Mail & the Bombay Times are being subscribed for by the Comptroller's office. The financial information required for that office can be obtained from these papers—

5 If these papers should be sent, weekly ~~editions~~ ~~issues~~ editions may be obtained instead of daily editions as suggested in the office note above

6 Approved. HC. 30/11

7 True. The daily issues contain all articles and the value of the articles in the London Times is much higher than that of the articles in these Papers.
